AUTHENTIC MELGES SPEED.

As one of the largest fleets in North America, the Melges MC Scow[®] is a true Melges original. Designed, engineered and built by Harry C. Melges Sr. and Buddy Melges during the mid-60s, it continues to be a great day sailor whether single- or double-handed. The Melges MC Scow is modern, offering the latest hardware upgrades as well as improved construction for 2010 — high quality from bow to stern.
